## PLAY GUIDEPOSTS UNITY LOTTERY

---

Unity is a lottery with a difference. Every week you have the chance to win the £25,000 jackpot, plus many other fantastic cash prizes, and at the same time you're helping us to raise funds to support our work. The more people that play the more valuable funds we receive. For every £1 entry - at least 50p comes directly to us as profit.

### How it works

The draw takes place every Saturday and each entry costs just £1. When you join the lottery you're allocated your own 6-digit Unity lottery number. A random winning number is drawn - the aim is to match the winning number.

### If you match....

6 digits you will win £25,000 plus a £2500 donation to Guideposts.

5 digits you will win £1000

4 digits you will win £25

3 digits you will win £5

A match occurs if your digits are in the same place as the winning number.

### *Example*

325764 - random winning number

326574 - your lottery number

This is a 3 digit match (3, 2 & 4) which will receive the £5 prize  
All winners are notified by post and prizes are posted automatically if you win, so you can't miss out!
